Mississippi Windstorm Underwriting Association

Conditions Applying to Applicant(s)

I (we), as the applicant(s) for windstorm and hail insurance in the Mississippi Windstorm Underwriting Association, fully understand and accept the following conditions as part of my (our) contract, if coverage is accepted by this Association. 1. The producing agent is my agent, not the agent of Mississippi Windstorm Underwriting Association. 2. Any documents or statements made by my agent, whether expressed or implied, do not bind this Association in any way. 3. I understand that my agent cannot warrant or guarantee the effective date, the amount of coverage acceptable, the property meeting minimum underwriting standards or any other material fact that may cause this application to be approved or rejected by this Association. 4. Provided the application is acceptable, coverage is not bound until received by this Association. 5. If a named storm, as designated by the U.S. Weather Bureau, is within the boundaries of 80 degrees West Longitude and 20 degrees North Latitude, no new applications can be accepted. 6. Coverage is not bound on new applications, unless a typed, signed application, proper premium remittance and submission of a Form J when applicable are submitted with the application. 7. Property insurance, if any, other than windstorm and hail insurance written through the Association shall be provided by insurers who are member companies in the Association.

Additionally, this application is made with the understanding that, upon request, I (we) agree to accompany your inspectors, or designated inspectors, while inspecting this property. I (we) understand that this application in no way binds any company to afford insurance on the described property. Inspection(s) made under the program and any report of the inspection(s) is for insurance underwriting purposes. Regardless of whether a policy is issued, neither the Insurer, the Mississippi State Rating Bureau nor the Mississippi Windstorm Underwriting Association will be liable for any injury or damage claimed to arise from the inspection(s), omissions from such inspection(s) or report(s) or from compliance or non-compliance by the property owner or owners with the recommendations, if any, contained in said inspection report(s). Nothing contained in or omitted from said inspection report(s) shall be construed to infer or imply that the hazardous physical conditions, if any, so noted or omitted, constitute all such conditions existing on the property at the time of said inspection(s). Permission is granted to submit copies of any inspection or action report(s) to the Mississippi Insurance Commissioner, Mississippi State Rating Bureau, insurers and their agents or representatives.

(Note: In compliance with Public Law 91-508, this is to inform you that in connection with this application for insurance (1) an investigation may be made as to your insurability, including, if applicable, information as to character, general reputation, personal characteristics and mode of living; and (2) additional information as to the nature and scope of any investigation requested will be furnished to you, upon your written request made within a reasonable time after you received this notice.)

If minimum underwriting standards are not met, or the application is lacking any of the above mentioned, the application will be returned and no coverage is bound. 7. In the event a policy is issued and then cancelled or a change is made resulting in a return premium due, I agree that my commission will be adjusted accordingly. 8.
